# CLASS HISTORY

On one September morning in 1938, twenty-three boys and girls entered the first grade in Liverpool School to start their twelve years of schooling. Of these, nine were destined to graduate from the same school twelve years later. These were Joan Arick, Jane Ferrier, Alice Morlock, Charles Reutter, Carroll Ruesch, Jim Schafer, George Weigel, Edward Hammon, and Weldon Yannayon.

Our class remained about the same in number till the seventh grade and from then on it gradually got smaller. In the fourth grade we gained Wanda Mae Barnes who is with us now. It was'nt till the ninth grade that we gained another of our present members, Don Reynolds. The very same year we lost two of the boys we thought were going to graduate with us, Daniel and David Jones. In the tenth grade, although we lost Bob Herron, Marvin Hazel, Gaylord Otterbacher and Gene Kramer, Don Hilty and Dave Matt came to take their place. We thought our class was complete as we intered our junior year, but that September when we came back to school, we were glad to see that two new members, Stanley Nahigyan and Margaret Orth came to complete the Senior Class of 1950.

Class Officers: President - James Schafer
Vice President - Weldon Yannayon
Secretary - Margaret Orth
Treasurer - Charles Reutter

Class Colors: Maroon and White

Class Flower: Gardenia

Class Motto: The higher we climb
the broader the view.

The activities of the Junior Class have been both numerous and fruitful so far this school year.

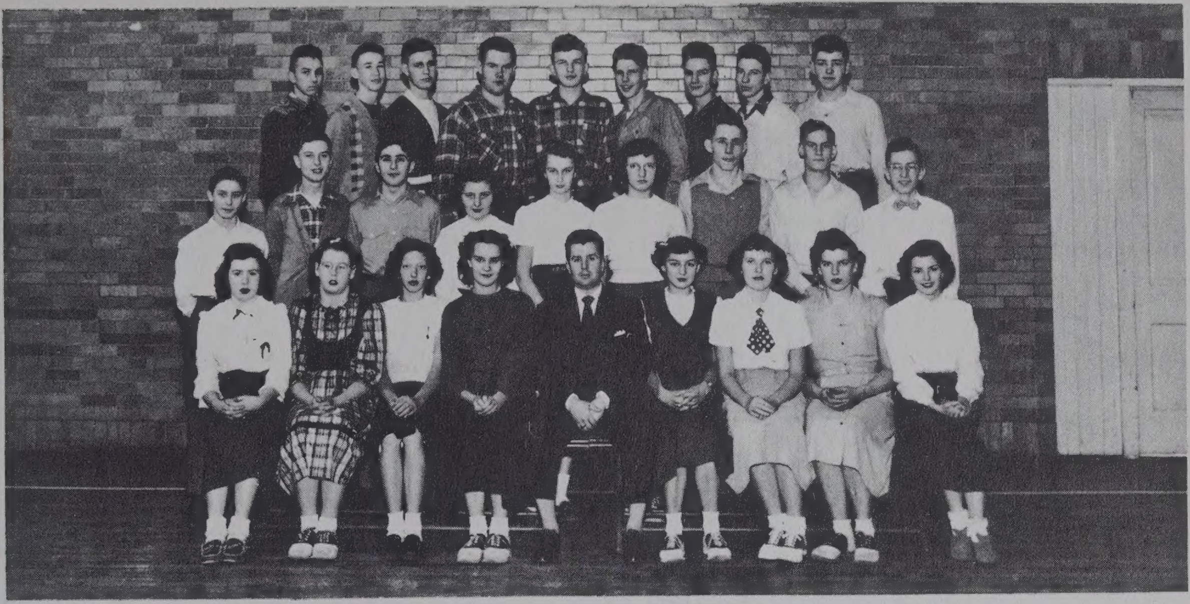
To begin the year, we received the ice-cream and candy concession at noons. This keeps at least four members of our class busy every noon.

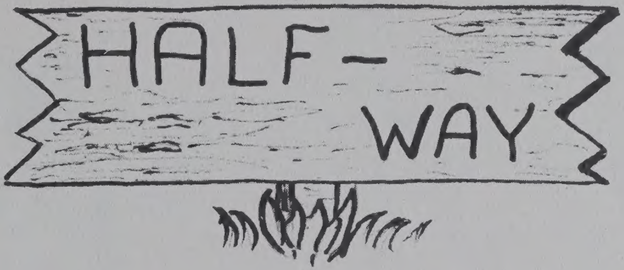
The third week of school saw members of the Junior Class selling magazine subscriptions through the Crowell Collier Co. This was quite a successful venture. Jim Wiencek proved to be the top salesman of the class, winning a nice fountain pen, courtesy of Crowell-Collier.

On Nov. 18, the Junior Class presented "Girl Shy" a three act comedy, in the High School Auditorium. Every member of our class of eleven was in the cast, and the play provided fun and laughs for everyone.

We are all looking forward to further activites this spring. The two most important of these are the May Dance and the Junior-Senior Prom.

SOPHOMORES





The Sophemore class of this year figured importantly in all events that took place in the school year.

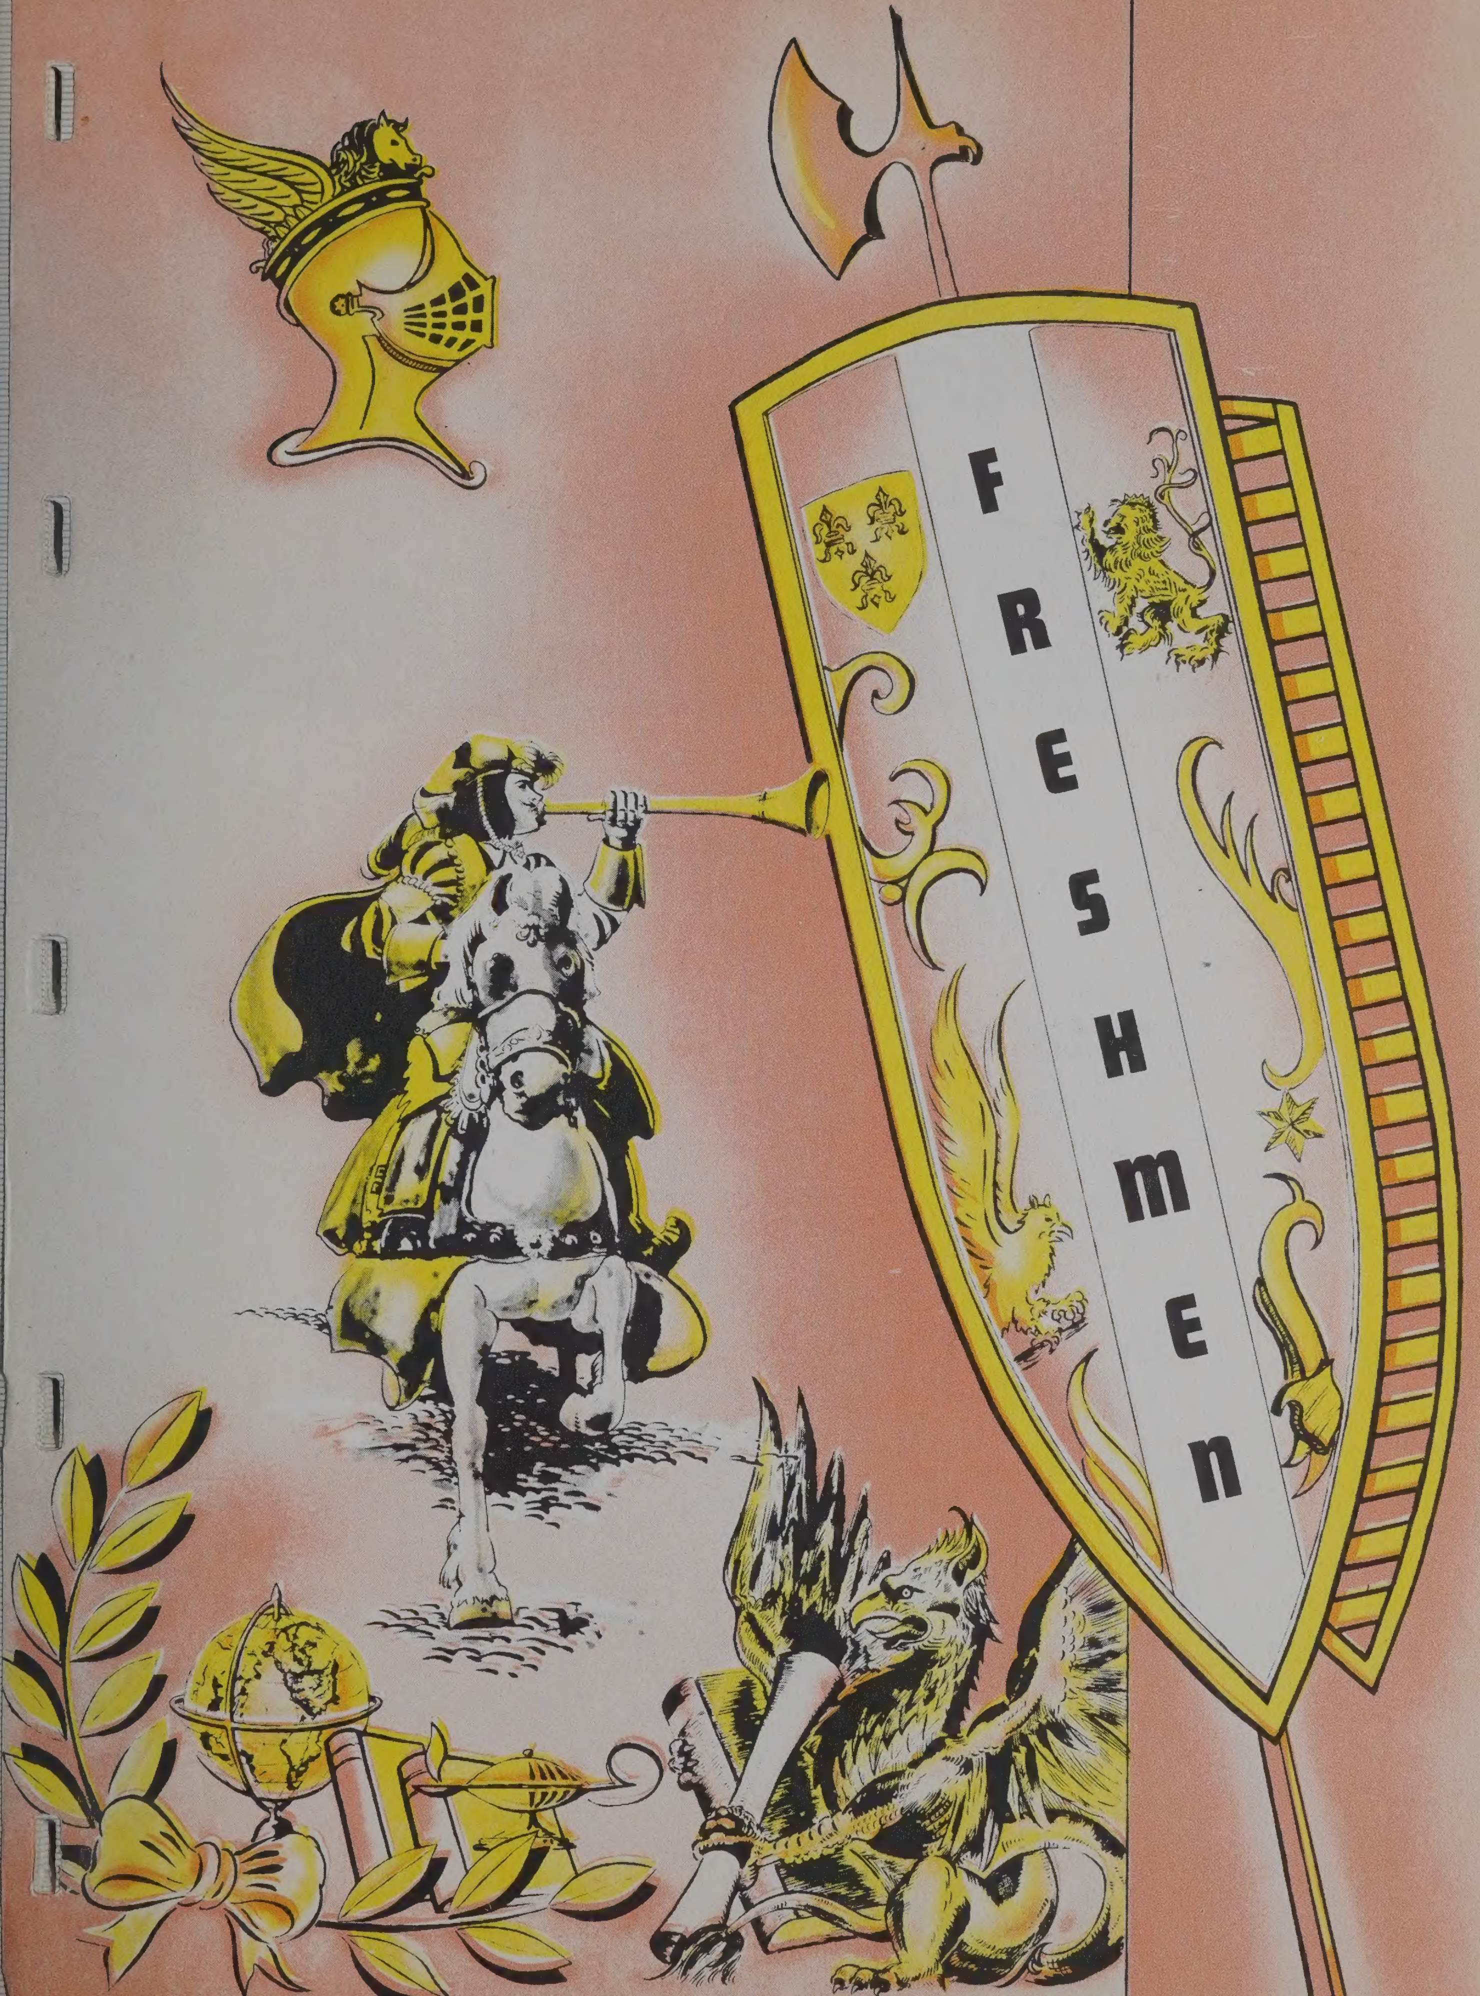
Our class officers were elected as follows: Bob Nahigyan, President; Don Hauck, Vice President; and Margaret Abram, Secretary and Treasurer.

To get the year off to a good start, we had six boys out for football, and two of the cheerleaders were tenth grade girls. To finish the football season right, a tenth grader, Stevie Griffin, was an attendant to the Homecoming Queen. Our class advisor for the year was Coach Craig Dowler.

The Sophemore's good deed for the year was playing host to the Freshmen. Early in the year, we gave them a hayride.

Besides the events mentioned above, we have taken part in all of the following: basketball, band, and mixed chorus. In a few more months the tenth grade boys will go out for baseball. The girls have been just as busy as the boys with band practice, cheerleading, mixed chorus, and the girls' sextet. Not a bad record for any class, is it?

With coach's help we have had a fine year. Thanks, Coach!



FRESHMEN

This year, 1949-50, our class, voted Louis Winterfield their President. Joan Matt was elected Vice President, Tom Stoskoph was the Secretary, and Jerry Dobson was in charge of the Treasury. Miss Kutsko was in charge of our homeroom and all class matters. Her figure boosted our morale at all times, and her figuring helped us when ever there was mathematics to be done.

Our first project for the school year was the concession at the season's first basketball game. Fortunately for us, it turned out better than we had anticipated. We still have one basketball game to go. If that doesn't bring us enough money, we'll find some thing else that will.

We had a hayride the first part of November. It was a big success, even if the boys did sit on one side, and the girls on the other. Our class as a whole had more school spirit (or as much) as any other in the school. The girls joined the Y-Teens, and the boys joined the Hi-Y. In both cases it was one hundred percent. We had four boys out for football, and seven went out for basketball. And the judges thought that Kay Yost was good enough to be a varsity cheerleader. Marilyn Muntz and Betty Reynolds were both elected junior high cheerleaders.

As a class our main object was to build up our treasury. As individuals our object is the same, I suppose. Our class has twenty three pupils, one teacher, and Mr. Gove, who, as you know, teaches Phristortis as well as algebra. Oh yes, he also gives ideas on how to build up our treasury, but I think he's just trying to get rid of us.

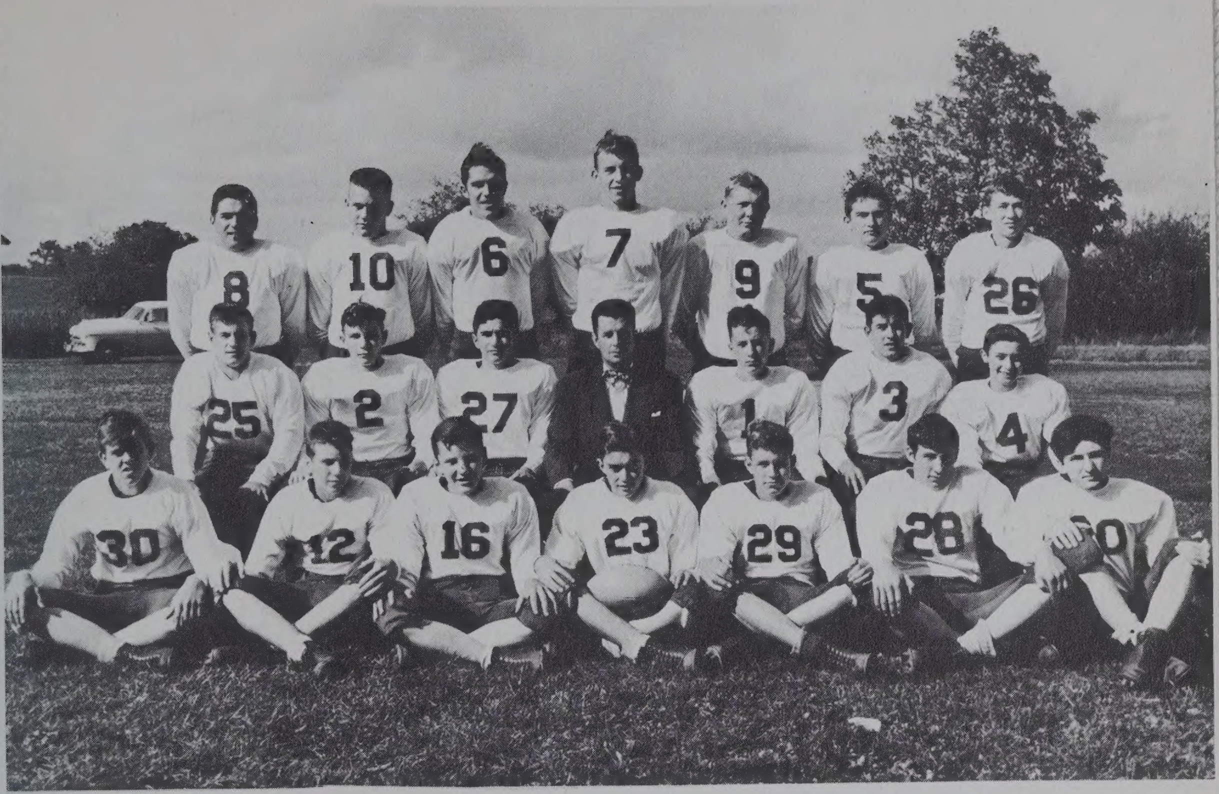
For "greenies" we have had a very pleasant and successful year. Orchids to Miss Kutsko!

ATHLETICS

VARSITY CHEERLEADERS

When the basketball season opened, the following four girls were elected cheerleaders: Kay Yost, Joan Arick, Lois Otterbacher, and Stevie Griffin. Lois and Stevie were veterans, and Kay and Joan were new to the team. At the beginning of the season the girls just didn't click, but as time went by, with practice and more practice, they became smoother. Practice makes perfect- no truer words could be said of this wonderful team. They finished the season by winning the trophy for the best cheerleading team in Medina County. Not only that- but our Stevie made all-county first team and Lois, all-county second team.

Thanks, girls, for your moral support and loyalty to the team, and for bringing new laurels to Liverpool.



First Row Stan Kopec, Bob Yost, Melvin Kemrite, Louie Winterfield, Fred Gruelich, John Abend, Bradley Bradshaw.

Second Row Ralph Tumbush, Tom Wolfe, Bob Nahigyan, Coach Craig Dowler, Carl Kovalchik, Don Reynolds, Jerry West.

Third Row Stan Nahigyan, Sam Arnold, Ed Hammon, Dave Matt, Don Hilty, Jim Wiencek, Tom Mack.

The season opened and we anticipated a good football team. Although our team was made up of almost all new faces, Mr. Dowler had high hopes for the coming season. Our season opened with a big bang at Columbia. When the smoke cleared, our team had a victory--but also a loss. Due to injury, our veteran halfback, Jim Wiencek, would not be able to play in the next three games. The next game was with Perrysville. The fellows well remembered last year's defeat and were determined to overcome our adversary. The next two teams, because of their lack of experience, were easily beaten by our steadily improving ball club. Then came Chatham and Lodi, two of the toughest teams in the county. The spectators felt the team won two fairly easy victories, but the players knew they had to fight to win. Our season so far had been a huge success, but, as usual, there was a fly in the ointment-SHARON. Without a doubt they would be our toughest competition. Neither team had suffered a defeat. Someone had to lose. Liverpool lost-- a beaten, but not disheartened team, left the field. They came back to win the last two games. Even though we didn't win, the county championship, new records were set in our football history:

Highest individual scoring record--Jim Wiencek

Won-Loss record -1949- 8 won and 1 lost

Highest team scoring record at Liverpool - 387 points

## Varsity Team

Two days after the Liverpool Grid Iron season was over, the Liverpool athletic team took up the 1950 Basketball season. Coach Dowler had only one letter man from the varsity five of last year and he tried feverishly to get his team into shape. Although he had tall boys, they lacked experience and polish. The season opened with a heartbreaking defeat at the hands of a hustling Spencer team. Then after a week of stiff practice, we were able to overcome both Chatham and Hinckley. But soon our streak was broken by the smart ball handling of the Leroy quintet. After being in the wrong column for over one half of our games the Christmas vacation was a welcome relief. With the hard work of our coach and long hours of practice, we began to look as a team from Liverpool should look. The five succeeding games showed Liverpool in the lead. But once again just as we begin to get the feel of things, our old rival Leroy invaded our gym and after a rough and cleverly played game, Leroy was again victorious. At the end of the league season we were able to take second place honors with a record of 7 wins and 1 defeat. This year in the first round of the tournament we played Seville and went on to meet Granger in the semi-finals. At the end of a rather tame game we were eligible to meet Leroy on Saturday night by defeating the Granger team. On Saturday night, February 25th one of the largest crowds ever to attend the Medina County Tournament witnessed one of the most exciting games in the history of tournament play. After leading all the way right up until the last few seconds when Leroy managed to tie the game up and then go ahead to win it by four points in the overtime. We played a good game but not quite good enough, and Liverpool was awared a second place trophy for the second time. The season was climaxed when we journeyed to Oberlin to meet Amherst in the sectional tournament. It, like the tournament, was close but when the whistle sounded Liverpool was again defeated. This final game brought to a close the game of Basketball for a year at Liverpool, and also ended the high school basketball careers of the first team.

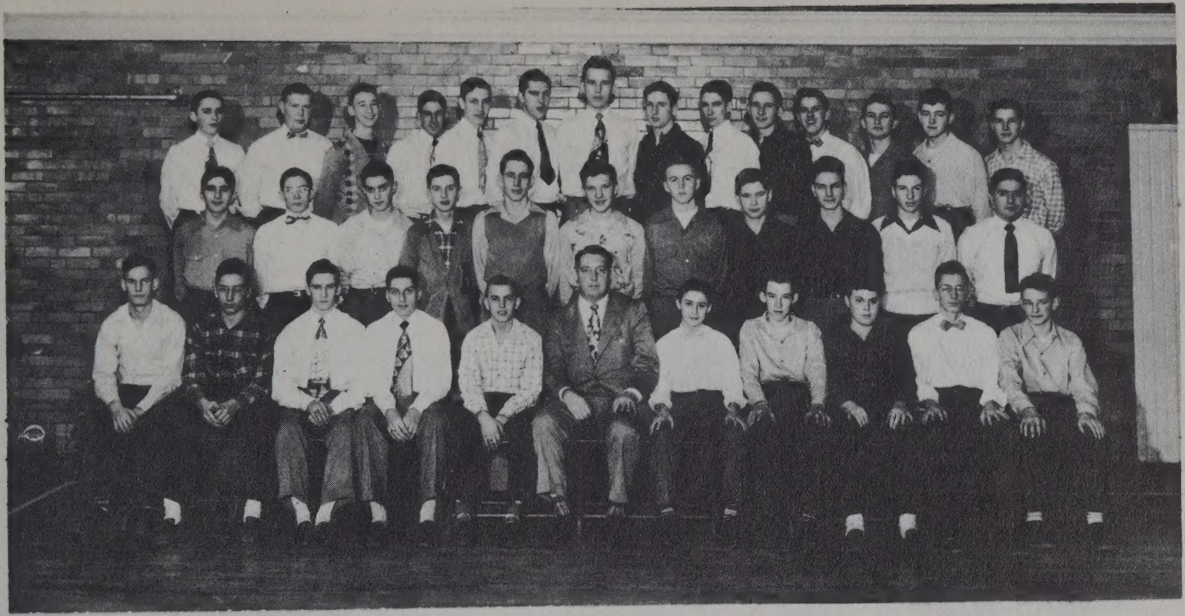
# ACTIVITIES



With the interest of the advisors, Mr. Gove for the Hi-Y and Miss Jeri Kutsko for the Y-Teens, both organizations of Liverpool had a very successful and interesting year.

Both clubs had the opportunity to send their advisor and president to the conference at Columbus which took place at a different date for each organization.

The Hi-Y boys and Y-Teen girls also sponsored a Christmas Ball which we hope will be a tradition for years to come. We also had our parents attend one of our meetings. The boys entertained their fathers with a pie feed, and the girls invited their mothers for tea. Both events went off with a bang.

Almost one hundred percent membership was attained this year. We hope that this record will be continued and thet the boys and girls in the future have as much of an interest in these groups as we have had.

Liverpool High
Of you we're proud.
Our cheers to you
Are heard aloud.

We'll think of you
All through the years,
With hearts ever filled
With joys and tears.

But now, we leave
To seek our station,
Now we leave,
Yes, -- with hesitation.

But it's not the end,
Tho' the years will pass,
For you've made a friend
Of the Senior Class.
